Same deal. This one is for VDC.

Thanks,

Subject: CAS#s 75354

Dear Carrie Houtman,

We at EPA also recently received a test plan and robust summaries for CAS#s 75354. Do you intend for this chemical to be directly sponsored in the HPV Challenge Program, or indirectly in the HPV Challenge Program through the ICCA HPV Initiative?

Thank you once again for the clarification.

Sincerely,  
Jeffrey Taylor
